

**HOUSE GUARD PERIMETER & FOUNDATION GRANULES**

EPA Est. No. 4-NY-1 EPA Reg. No. 53883-194-4

**Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**General Instructions**

Bonide House Guard Perimeter & Foundation Insect Control is for use on lawns, around home foundations (perimeter treatment), ornamental and flower gardens, for the control of the insect pests listed in the table below.

Pest	Application Rate
<b>Ants</b> (including Carpenter, Red Harvester, Odorous, Pyramid, Argentina, Pharaoh, Black Turf, Fire Ants and Foraging Fire Ants), <b>Armyworms</b> (including Lawn Armyworm, Fall Armyworm), <b>Billbugs</b> (including Bluegrass Billbug, Hunting Billbug), <b>Black Turfgrass Ateenius</b> (adults), <b>Bristletail, Chiggers, Chinch Bugs, Crickets,</b> <b>Cutworms</b> (including Black Cutworm, Bronzed Cutworm, Granulate Cutworm, Variegated Cutworm), <b>Dichondra Flea Beetle, Earwigs, European Crane Fly, Fiery Skipper, Fire Brat, Fleas, Fruit Fly, Grasshoppers, Greenbug, Ground Beetles, Ground Pearl, Leaf Hoppers, Lucerne Moth, Mealybugs,</b> <b>Mole Crickets</b> (including Tawny Mole Cricket, Southern Mole Cricket, Short-Winged Mole Cricket), <b>Pillbugs, Seed Maggots, Spiders, Springtails, Striped Grassworm,</b> <b>Ticks</b> (including ticks that may transmit Lyme Disease) <b>Two-lined Spittle Bugs,</b> <b>Webworms</b> (including Sod Webworm, Grass Webworm, Tropical Sod Webworm), <b>Weevils</b> (including Hyperodes, Bluegrass), <b>Wireworms</b>	Uniformly apply 1 to 2 pounds over a 1,000 sq. ft. area of lawn.  For 3 month/season long control, apply 2 lbs of product for every 500 sq. ft.  For best results, thoroughly water the treated area after application.  For Fire Ant Mounds: Uniformly apply 1 tablespoon or 3 teaspoons of granules to the surface of each mound. For best results apply in cool weather, 65 to 80 F, in early morning or late evening hours. Avoid disturbing ants. Treat new mounds as they appear. Thoroughly water the treated area after application.
<b>Centipedes, Millipedes, Pavement Ants</b>	Uniformly apply 2 pounds over a 500 sq. ft. area of lawn. For best results, thoroughly water the treated area after application.
<b>Mole Crickets</b>	Uniformly apply 1 to 2 pounds over a 500 sq. ft. area of lawn. For best results, treat in late spring and water thoroughly after application.

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, or drainage ditch).  
 In New York State, do make a single repeat application of this product if there are signs of renewed insect activity, but not sooner than two weeks after the first application.

**Home Foundation/Barrier Treatment**

Evenly apply a 2 foot wide band next to the house/home foundation. Use 0.5" to 1.0 lb for each 500 sq. ft. (2 ft. x 250 ft). 0.5 lb/500 sq. ft. is equivalent to 1lb/1000 sq. ft.

**Ornamentals & Flowers**

Bonide House Guard Perimeter & Foundation Insect Control can be applied just before planting or after plants emerge. Apply 0.5" to 1 lb. evenly over each 500 sq. ft. area. Repeat if there are signs of renewed insect activity.

**LAWNS**

Apply Bonide House Guard Perimeter & Foundation Insect Control when insect activity or damage is first observed (lawn thins, brown spots appear, or moths fly up from the grass when mowed). Spread uniformly over lawn. For best results, use a mechanical spreader. Water-in product after application. Do not use any other weed, disease, or insect control products for at least one week after application. For best results and to prevent further damage, treat the entire lawn, not just the browned areas. Repeat application if there are signs of renewed insect activity.

NOTE: Food utensils such as tablespoons/teaspoons must not be used for food purposes after use in measuring pesticides.

**STORAGE AND DISPOSAL**

**Prohibitions:** Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Keep out of reach of children and animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Carefully open containers. For rigid containers after partial use replace lids and close tightly. For bags after partial use, reseal opened bag by folding top down and securing.

**Pesticide Container Disposal:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

Hazard to Humans (and Domestic Animals)

**CAUTION**

Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

**FIRST AID**

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling poison control center or doctor, or going for treatment. You may also contact 1-800-225-2883 for emergency assistance.

**Note to Physician:** This product is a pyrethroid. If large amounts have been ingested, the milk, cream or other digestible fats and oils may increase absorption and so should be avoided.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

Notice: Buyer assumes all responsibility for safety and use not in accordance with directions.
